

## The Star of David and The Swastika

- 1) Unfortunately for the history of the world, Hitler stole the “good luck” symbol from the Hindu’s, which is the right facing Swastika as opposed to the Buddhist symbol which is left facing.

- 2) The Swastika has a place in universal consciousness as the great vortex with four spiraling arms that we can see represented as the Milky Way Galaxy.

- 3) The Star of David, is two inverted pyramids with nodes at 19.5 degrees north and south latitude. This is a universal consciousness symbol for a crushed soliton or planetary body. Earth - Mauna Kea, Mars - Olympus Mons, Jupiter - Red Spot.
